IT HEREBY AGREED BY BOTH PARTIES THAT THE FOLLOWING CONDITIONS WILL BE MET AND THAT NO OTHER WARRANTIES OR CONDITIONS ARE EXPRESSED OR IMPLIED.

The Buyer has a health guarantee extending 7 days in which to have the puppy checked by a licensed veterinarian and is urged to do so. And if the veterinarian discovers anything wrong with the puppy, he must provide a letter stating the date of the exam and a complete diagnosis. The puppy will be exchanged for another equal of value from the next available litter. Any shipping costs are to be paid by the buyer. It is further agreed that no money is to be refunded at the time and that all expenses incurred are the buyers responsibility. Buyers are also aware that we will at no time pay veterinarian services. This contract shall also become Null if the puppy is given any vaccinations within the first 5 days of arrival.

We agree to replace the puppy until the puppy reaches 1 year of age if any of the following circumstances occur and all of the conditions of this agreement are met.

In the event of sudden death of a puppy due to congenial heart failure, are found to be diagnosed with hip dysphasia, that makes the puppy unsuitable for being a companion, the purchaser must notify the breeder within 30 days and provide the veterinarian with the autopsy report or x-rays. If the above conditions has been diagnosed, the purchaser must also provide the breeder with a pelvic radiograph and statement verifying the diagnosis by the examine veterinarian.

Buyers responsibility for the care of the puppy. This includes, but not limited to; maintaining the puppy on a proper diet and at weight sensible fo it's size, age and breed. Buyer must provide regular and proper care. Including annual vaccinations, heartworm preventive, and light exercise on any and all large breed puppies. No replacement will be given if registered application from the company do not accompany the original puppy back to the breeder.

New owner is also responsible for the transportation cost to and from breeder for puppy replacement. This guarantee is only valid if all the above conditions are met and void when the puppies reach one year of age. Any dispute that may arise out of a claim must be filed in Washington Indiana.

NOT COVERED UNDER HEALTH GUARANTEE

Kennel Cough-congestion is a born disease although our puppies have been vaccinated for Kennel Cough, we cannot guarantee them being shipped on airplane or ground transportation in an enclosed area exposedto other animals that may be contagious. Coccidiosis or Giardiasis (diarrhea) result of an intestinal parasite and can be brought on by extreme stress and the change of our water to a chlorine water source.
